

# Sponsorship form & Gift Aid declaration

**Guillain-Barré & Associated Inflammatory Neuropathies (GAIN)** is the national charity for the UK & Ireland that provides information and support to people affected by the rare auto-immune conditions GBS, CIDP and the associated inflammatory neuropathies. Donations go towards our work to support patients and their families, to raise awareness of the conditions, and to fund research into the causes and treatment of GBS and CIDP. We receive no Government funding, relying solely on charitable donations, so this money is very important to us.
